

ASPEN INSTANT BORDER

DESCRIPTION:

Instant Borders offers unique options for adding localized texture, pattern and color to walls via paint, fabric or tiles. Instant Borders are made from non-toxic, removable and repositionable 8" wide vinyl and they are available in 7 patterns in custom lengths and widths. What separates Instant Borders from other repositionable borders is that these border designs can be custom-scaled and custom-colored as well to suit individual needs. *colors may vary
