

SHADOW LAPTOP CONSOLE

SHADOW LAPTOP CONSOLE

MATERIALS:

Maple with
aniline dye

Shown in Raspberry

- Available in various aniline dye colors or wood stains
- Available with solid wood top
- Other cut-out patterns available, see our armless chair collection
- Custom sizes available

The double-duty Shadow Laptop Console can elevate a work space and simultaneously add elegance to a living/dining space. With drop-down apron and sliding drawer for laptop by day, at night it reverts to exquisite buffet or console with plenty of hidden storage. Features a glass top and a leather lined drawer. End panels shown in Vine cut-out design.
