Diane Paparo Associates

New York, NY

The master bath, serene and sophisticated, presides over magnificent Central Park. Outfitted with Eames's iconic La Chaise chair, custom Paparo-designed hand-knotted rug and honed-quartz massage tub, the bath's white Timor pebble wall and ungrouted tile floor provide an outdoor feel for this sleek modern aerie in the sky.

TESTIMONIALS:

"In my opinion there is no one better to work with than Diane. Diane is simply the best there is. She is diligent, creative, exceedingly professional and honest to a fault."

—Seth Kaplowitz, Partner, client and partner, Blumberg Law Group

"Right from the start it was clear that fortune had smiled on me. You were an unbelievable triple threat: a brilliant tactician, designer, and project manager who was able to create the vision of an entirely new contemporary apartment from the 45 year old space with which you worked."

—Betty J. Turock, client
